less than 15 feet from ground, moving about nervously yet
inquisitively

ADDITIONAL COMMENTS: I am an ornithologist working on checklists of
birds, mammals, insects etc. for sites in and about Zion Park,
my co-sitters were also. Cathy saw and identified the bird 1st.
Other warblers sited that day included Audubon's and Wilson's
I identified by match keying with Golden Field Guide, Birds of N.A.

The Audubon Christmas Bird Count 1979-1980
